*The Way of the
Sacred Pipe*

The care and use of the Native
American Sacred Pipe

By Jim Tree

Jim's book, THE WAY OF THE SACRED PIPE, deals with the power of the Native American Sacred Pipe in today's World. It presents the history, traditions and proper use and care of the Personal Native American Sacred Pipe.

Since the spring of 1999, Jim has been responsible for the United Nations Turtle Pipe, a Ceremonial Pipe presented to the UN in 1978 by Jim's mentor, Adam Fortunate Eagle (Chippewa). Jim cares for this Pipe and holds this Pipe for ceremonies worldwide representing the "Native American Leadership Alliance". More information about the work of this Pipe can be found at:
