The Reconnection: The Essence of Healing

"I didn't think life was worth living! I didn't 'have' a life until I met Dr. Pearl. I want you to know I am healed, my condition is not just in remission, I have been completely cured."

-Michele, Healed of Chronic Fatigue Syndrome and fibromyalgia

Find out what's baffling the medical community. Discover why hospitals and universities around the world are investing time and money in an attempt to explain these healings, and how you, too, can master this extraordinary work! Eric will discuss his remarkable story, allow some of you to feel this, and give live demonstrations on a limited number of audience participants. This is different than Reiki, Johrei, Qi Gong...or any healing technique you've ever encountered. This is beyond technique.

Internationally recognized healer **ERIC PEARL** has appeared on The Other Side, Sally Jessy Raphael, Coast to Coast AM (with Art Bell and George Noory), America's Health Network, Extra, FOX TV and countless television programs worldwide. His patients' healings have been documented in six books to date, including Eric's own international bestseller, The Reconnection: Heal Others, Heal Yourself.
