

Lecture by Mr. Vishen Lakhiani

Speaker, author and founder of „MindValley“

Monday, 22 October in F1001 at 5:30 p.m.

www.mindvalley.com

Vishen Lakhiani is the founder & CEO of Mindvalley University, the company with big plans to reboot education globally to focus on transformation. Mindvalley combines media, filmmaking, tech and real-world events to build its education empire with over 2 million students.

The company's mission is to empower people to live healthier and happier lives, unleash their fullest potential and Be Extraordinary by introducing them to tools and ideas that are currently missing from traditional education systems.

Vishen is also the author of The New York Times Best Seller "The Code of The Extraordinary Mind" which has been translated to more than 20 languages. Vishen is now working to expand Mindvalley's presence globally with the aim to bring its teachers, tech and programs into 100 national schooling systems and every company in the Fortune 500 within the next few years.

Donation for non-members:

€5
